

The San Francisco Chapter of ISACA proudly presents the 8th annual...

**SF ISACA 2008 Fall Conference // 09.22.08–09.24.08**

# Elect to Advance

# // Career // Knowledge // Connections

The SF ISACA Fall Conference is the premier education event for Information Systems Audit and Information Security professionals in Northern California. Last year's event drew nearly 200 IS Audit and Security professionals and we are expecting higher levels of attendance this year.

Priced at \$500 (member early-registration rate), roughly 1/3 what many similar conferences charge, the SF ISACA Fall Conference represents Northern California's best educational value for IS Audit and Security professionals.

The 2008 SF ISACA Fall Conference features four tracks:

**Core Competencies:** Focused on teaching the IT Audit basics. Target audience: IT Auditors in the first several years of their career, Financial/Operational Auditors wanting to know about IT Audit, and Non-Auditors (e.g., IT Operations & Security Personnel) wanting to know about IT Audit.

**Strategies & Techniques:** Builds on the basics. Target Audience: Anyone wanting to know more about the strategies, techniques, and tools used in IT Auditing.

**Compliance & Governance:** Various topics regarding compliance and governance that will range from intro courses to in-depth thoughts and guidance. Target Audience: Anyone wanting to know more about how compliance and governance impact their organizations and their audits.

**In-Depth Technical:** Longer courses (typically day-long) that dive deep into technical topics, usually involving demonstrations. Target Audience: Intermediate to Advanced IT Auditors.

In addition to the educational sessions, the 2008 SF ISACA Fall Conference will also feature an **Exhibitors Hall** and **Exhibitors Lunch** on Tuesday, September 23 where you can learn more about the products and services of the firms that help sponsor the conference. This will allow attendees to visit with vendors serving the industry. Look for updates on our web site at: [www.sfisaca.org](http://www.sfisaca.org).

The registration and payment system will be open in June. **Make your plans to attend today!**
